

## 2/17/06 Meeting Notes

**Attending:** Leviticus, Charles, Kristian, Robin G., Eric (Willard), Aaron, Michael, Lindsay, John, Linda, Dawn, Jesse, Mark, Dr. Jack.

**Dues:** We collected and sent off dues. If you didn't make it this semester you will have to wait until next semester. We had a lot of new members this year, so way to go GTU!

### **Election of Officers (Not applicable until next semester):**

**Robin Gregory** is the new President.

**Charles Whiley** is the new VP, colloquium coordinator and Webmaster.

**Eric Nelson**, aka Willard, is the new Treasurer/Secretary.

We voted to make the Treasurer/Secretary position combined because it is easier to do so. These people will receive their appropriate training this semester to pass the torch on more smoothly.

**Valentine's Hike:** Rescheduled for March sometime, likely before Spring Break. Thanks again Kristian for offering your place for the festivities.

We may postpone this all the way til the canoe trip and just do it then instead of the canoe trip (depending on water levels and such). There will be a sign up sheet at the next meeting for the rescheduling.

**AAG Funds:** We were able to support three people's conference registration through Assoc. Student Government funds (what a hassle) to go to the AAG national conference this semester: Jesse Edmondson, Ashley Daniel, and Sheena Cortesi.

**Ice Skating:** We are set up with the Jones Center for Sat., April 8<sup>th</sup>, 1:45 PM (We will likely leave @ 1PM to get there on time). Sign up will be done at next meeting.

**Logo:** We chose Robin's logo with the GTU and the classic globe logo on top of it (or we might change it to a classic north compass arrow).

This will go on T-shirts and on bar glasses for fundraising. I still think we should sell the mugs with aerial photo campus maps on them. I have talked to other students about this and they all said they would buy them.

**The Garage Sale:** We are going to have sign up sheets for the shifts at next meeting.

1. Fri. evening set up/pricing crew (4+ people) (we could do this with beer and such)
2. Sat. opening shift (4+ people) (5:30 AM – 9:30 AM – breakfast provided)
3. Sat. closing shift (4+ people) (9:15 AM – 1 PM lunch provided).

Bring your stuff to Ozark 105 (Geog grad students' office) for temporary storage.

A flyer is going out this week to all professors and staff for solicitation of crap they don't want anymore.

We will need a crew to organize major pickups in pickups the week of the sale.

**Spring Banquet:** April 28<sup>th</sup> (tentatively)

Not certain on location yet, but it sounds like Walton Arts Center again or Town Center convention center.

There will be committees for this when we have our next meeting with SGE hopefully next week.

We are trying to have awards this year – volunteer service award, tree ring lab award?, undergrad award, t.a. award?, Dr. Cleaveland, etc.

Let us know if you have any ideas about this or anything else.

Next meeting is March 3<sup>rd</sup>, 2:30 PM in Ozark 110.

Much love, AD
