**McGraw-Hill Education**

A Division of The McGraw-Hill Companies

August 06, 2002

To: Joseph J. Rencis  
Worcester Polytechnic Institute  
Mechanical Engineering Department  
100 Institute Road  
Worcester MA 01609-2280

Dear Mr. Rencis:

RE: your permission request for

Author: Ferdinand P. Beer

Title: Mechanics of Materials

Description of material: ABOUT THE AUTHORS, Page v of Text. (Will be used in text e-mails to tell people the background of the authors for the Ferdinand P. Beer and E. Russell Johnston, Jr. Outstanding New Mechanics Educator Award sponsored by McGraw Hill)

Request ID Number: JOS48518

In response to your request, please be advised that McGraw-Hill has no objection to your proposed use of the above-referenced material provided that it is original to our book and appears without credit to another source.

We should be grateful for acknowledgment of our author, title, and The McGraw-Hill Companies, Inc.

Sincerely,

A handwritten signature in cursive script that reads "Mia Amato".

Mia Amato
