Text:

Homework:
- Homework is due at the end of class on the dates shown (usually Thursday).
- No late homework will be accepted without prior approval from Dr. Millett.
- To receive full credit, solutions must include all pertinent sketches or graphs, equations, and answers with correct units.
- Homework solutions will be uploaded to Blackboard after the assignment is due.

Exams:
- Four (4) exams will be given during the semester. Exams will be given during class (90 minutes) or in the final exam session.
- Exams may include numerical problems, multiple choice, and short answer.
- Extra office hours will be provided prior to exams.

Grading:
- 10 Homework assignments: 20%
- 4 Exams: $4 \times 20\% = 80\%$
- Final course grades may be ‘curved’ if necessary – this decision will not be made until after the final exam.

Advice:
- Attend office hours or drill sessions and ask questions during class.
- Introduce yourself to Dr. Millett in lecture, drill or office hours.

Blackboard:
- Class lecture slides will be available on Blackboard. It is highly recommended for students to download and print these slides before class. These slides will be a key component for material presentation.
